

# CAMS Membership Application

## Coeur d'Alene Aero Modeling Society

The Coeur d'Alene Aero Modeling Society includes people of all ages and from all walks of life. Everyone who has an interest in the unique and creative hobby of Radio Controlled aircraft modeling are invited to join and become part of this exciting organization.

Requirements of membership in CAMS:

1. You must be a member of the AMA (the Academy of Model Aeronautics). If you are not yet a member, call **1-800-435-9262** or use the Internet [www.modelaircraft.org](http://www.modelaircraft.org) to join.

Complete the application on the next page and mail it with your membership dues check to:

CAMS, PO Box 2073, Hayden Lake, Idaho, 83835. (please make your check payable to CAMS)

### **Important notes**

New members to CAMS must take a safety check flight with a member of the CAMS Board of Directors / Trustees before they are authorized to fly at CAMS Field alone. This is a one-time flight safety check designed to test the ability of a new CAMS member to safely control the flight of their aircraft. The flight safety check consists of takeoff, a procedure turn, a horizontal figure eight, an approach to landing and a full stop landing. Once the safety check flight is accomplished the new member will be qualified to fly at CAMS field at any time.

The CAMS club does not have a paid staff to maintain the flying field or the organization. CAMS Field and the CAMS Club is the result of the hard work of many volunteers and the support of the community. **All CAMS members are expected to volunteer** to the best of their ability to help in the maintenance and improvements of CAMS Field and in the support of CAMS Club programs.

The CAMS Newsletter is available for download in pdf format to all members at: [www.camscda.com](http://www.camscda.com). If you are unable to access the newsletter electronically and wish to be placed on the mailing list please contact the newsletter editor:

Stan Allison (208) 676-8117
